The baby will suffocate to death slowly.

Son stared at the baby covered by the white cloth for a moment.

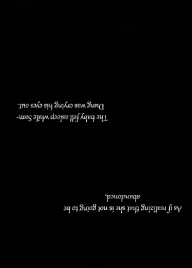
the tirelessly crying baby



Sam clung to dead Sam

Took a while to reach the pregnant Sam armed cattle

[text on blue screen] Baby cries, very weak

Then he found the baby was

Although weak but consistent cryng sound

[text on blue screen] Baby cries, very weak

The baby who was not even a year old

was fighting for its life.

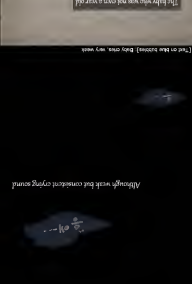
As if realizing that she is not going to be abandoned.

The baby felt easier while Sam-Dung was crying his eyes out.



[sfx]: sniff

[text on red background] dying cry, loud

Then, he left there

SNAP...

SNAP...

IT DO THAT, WILL THOSE AROUND ME SUFFER NO MORE

SNAP...

A BOD OF DISEASE SHOULD NOT LIVE ONE.

I SHOULD HAVE LISTENED TO THAT AUNT.

Eventually

He calmed down and stood up.

I can't be crying here for eternity.

Baby, you are now my sister 'Gguk-dung'

*The name literally means 'the last child'

I am sorry to give you a name like that to a girl...

But, if you survive past your 100th day, I will give you a new proper name

Bone is old Korea, babies were often given derogatory names because baby death rate was high. A new name would be given if a baby survives for a certain length of time.

Let us survive and find your dad.

Even after Son left, Myo-Jin and Maleman still stayed at the house.

Soon after he left,

[SFX] : BUAM!

Myo-Jin shut his door impulsively.

Other than that, they lead mostly quiet and uneventful days

On surface, he looked almost peaceful.

Except that

In his hand

In a way, it was reflecting that

his anxiousness was growing.

Meanwhile

Mokmun

Feared that her body might simply crumble at any moment

And

Felt deep guilt over the fact that she had to harm others for her to live on.

And

At the same time, she grew hateful of the fact that those who harmed her might be having happy lives

And

As if wanting to run away from all those

She walked in her room and tried to sleep all day long.

However

Such feelings visited her even in her dreams

and tortured her.
